

PUNTEO®-J60

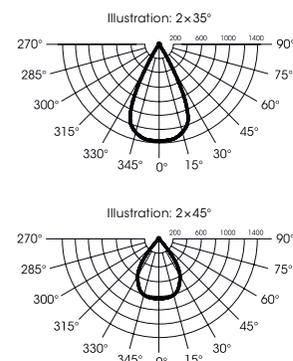

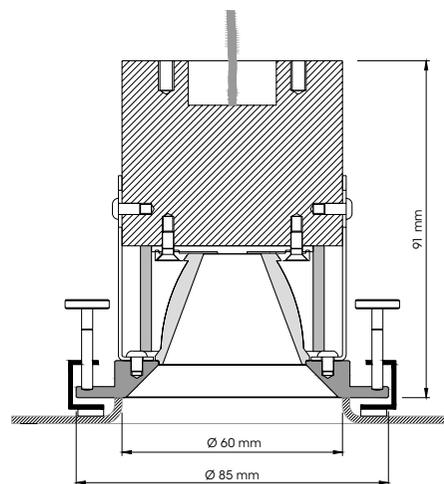

PUNTEO®-J60

DOWNLIGHT WITH BRILLIANT LIGHT QUALITY

PUNTEO®-J60 is a modern LED built-in luminaire with Tunable White. It can be integrated optimally, for example, into our LOOP® metal ceiling system and is also otherwise highly suitable for integration into metal or gypsum board ceilings. Various lighting techniques ensure optimal illumination of any room situation.

ADVANTAGES

- Perfect integration into LOOP® design ceilings
- Tunable White
- Excellent anti glare light fitting
- Requirements for an efficient lighting system are met
- Various lighting techniques available

TECHNICAL DATA

PUNTEO®-J60 | LED-DOWNLIGHT
